We Need Money To Defeat Jack Murtha In November!

Our strategy is escalating activity and mobilization concluding with Jack Murtha's defeat in November. Our goal is to continue to expose Jack Murtha's daily activities and bafoonery resulting in his November DEFEAT. We have a strategy of escalating projects that are designed to destabilize the Murtha campaign and put the Murtha campaign into an entirely reactive mode.

We need your support & Dollars.

THIS REALLY MATTERS: This is not just another congressional election. Should Democrats win control of the house, Jack Murtha is a likely challenger to Nancy Pelosi to be the Speaker of the House. While we are no particular fans of Ms. Pelosi, she is benign. It is clear that Murtha is a man barely n touch with reality who poses great danger and risk to our nation, freedoms and most importantly OUR SOLDIERS! Finally, sending Jack packing will show other opportunistic or traitorous politicians that they will pay a price for betraying our troops.
